Psalms 78: 5-20

### **Can God furnish a table in the wilderness?**

Israelites asked themselves this question as they were roaming in the wilderness.

What wilderness do you find yourself in today?

Sin? Sickness? Poverty? Bondage? Bad relationships?

Solution is found in verse 7: *"That they might set their hope in God, and not forget the works of God, but keep his commandments"*

### **1. Set your hope in God**

Hebrews 6:19

God does not always pay every Friday. But He always pays - and He is never late.

### **2. Forget not the works of God**

Psalms 103:2-5

David had to remind himself of the benefits of God.

Remembering God's works will produce the strength to continue knowing that God will furnish a table in your wilderness.

### **3. Keep his commandments**

James 1:25

Walking in love will help you to remember how much God loves you.
